

Harvest

As part of our Harvest Assembly this year, I would like to challenge us all to help those in need at this time. I would love if every child could bring in a tin or can of food to donate to the local food bank. These will be given to both the Exeter and Taunton food banks to be distributed to help local families.

As part of this, it would be lovely if you could include a recipe card or set of instructions to make one of your favourite meals, using the item you kindly donate. Mr Mann will put these, along with other donated items to make the recipe, in a booklet, which he will give to both food banks alongside all your items.

Caring and community are key values to everyone at West Buckland and this is the first proper opportunity we have to come together to support others. With the pandemic still challenging families, giving what you can really will make a big difference.
