

## **KS2 Flood Day Activities**

At West Buckland Primary School & Nursery we recognise the importance of life experiences, such as when flooding hits and understand the value of time together as a family. Below are some activities and ideas to make the most of your day, whilst challenging you to use your observational and thinking skills. We would love to see what you have been up to, so please do share a photograph or two with your class teacher via SeeSaw. Please have fun sensibly and safely.

### **Puddle press ...**

- Write a news article about the flooding.
- Write a story that includes water.

### **Stormy science...**

**Experiment with the wonder of water**

- Make a storm in a bottle
- Catch an ice cube
- Create a rainbow- fill cup with water, mixed with food dye and see how it transfer through tissue

### **Aqua aerobics...**

- Find flood related songs and create a dance routine.
- Go for a walk, dance in the rain or splash in the puddles.

### **Precipitation problems...**

- Continue to practice your basic skills of arithmetic by creating your own Fluent in Five calculations.
- Do some practical maths: measuring, weighing, using money and then write questions for this.

### **Rainy reading...**

**Can you make the ultimate cosy den?**

- Snuggle up with a drink and a good book and get lost in a world of words!
