

KS2 Snow Day Activities

At West Buckland Primary School & Nursery we recognise the importance of life experiences, such as 'snow days' and understand the value of time together as a family. Below are some activities and ideas to make the most of your day, whilst challenging you to use your observational and thinking skills. We would love to see what you have been up to, so please do share a photograph or two with your class teacher via SeeSaw. Please have fun sensibly and safely.

Go sledging!

- Q. How would you make your sledge go faster?
- Q. What materials would you use?
- Q. Can you design the ultimate sledge?

Winter warblers!

- Leave some food out and observe what animals come to feed. Record these in a table.
- Q. Can you identify any tracks in the snow?

Snow much fun!

What is your favourite thing about snow?

- Q. Can you write a poem capturing your snow day?

<https://www.penguin.co.uk/articles/children/2019/oct/different-types-of-poetry-for-kids.html>

- Q. Can you create a mixtape including the best snow day songs?

Snowflake sleuth!

Catch a snowflake & observe it carefully.

- Q. What do you notice?

Create your own snowflake patterns, using paper.

Angelic angel!

Find some fresh snow and make the perfect snow angel.

- Q. What do you notice about the shape?

Draw an angel outline and use symmetry to decorate your angel.

Lend a hand!

Help to clear the pathways of snow.

- Q. What tools are best for the job?

Q. Why do we put salt on icy paths? What science is happening here?

Cosy reading!!

- Q. Can you make the ultimate cosy drink?

Write out a list of ingredients and instructions for someone else to follow.

Snuggle up with a drink and a good book.
