

WEST BUCKLAND
PRIMARY SCHOOL
AND NURSERY

Upper KS2 Curriculum

Intent

West Buckland Primary School and Nursery aims to provide a curriculum that is engaging, balanced and relevant. We want children to participate and not spectate; learning beyond their own experiences and applying their new found skills and knowledge. Our Curriculum is knowledge rich with vocabulary acquisition at its heart. All subjects are carefully planned to ensure coverage of key content and knowledge that develops through the children's time in the school. We have mapped the key learning in each subject to ensure there is a logical and progressive approach to teaching. We operate a two-year rolling program for our Foundation subjects.

Our Curriculum, alongside our teaching and learning, is based upon the Cognitive Load Theory. Our approach is to ensure the working memory is able to process information and that learning is then stored in the long-term memory. Staff are aware of over-loading children with information and knowledge and instead focus on building schemas and ensuing understanding is gained and retained. We teach subjects as standalone and make cross-curricular links where relevant to deepen meaning. Underpinning our Curriculum work is the practice of Retrieval – children are given a range of opportunities and activities to recall key vocabulary from their learning to help develop their memory and build schemas. Through our knowledge-based Curriculum, our children develop in a variety of ways. Procedural knowledge is developed through skills – children knowing the process and working through it. Substantive knowledge is about developing a set of facts – this is where key words and dates come in and are used to spark a conversation and make links. These two combined develop Hinterland knowledge – the ability to be able to elaborate, embellish and discuss drawing on a range of facts, links and understanding. All of this then develops Core knowledge and it is this aspect that is retained in the long-term memory – what can be recalled at a later date?

Implementation

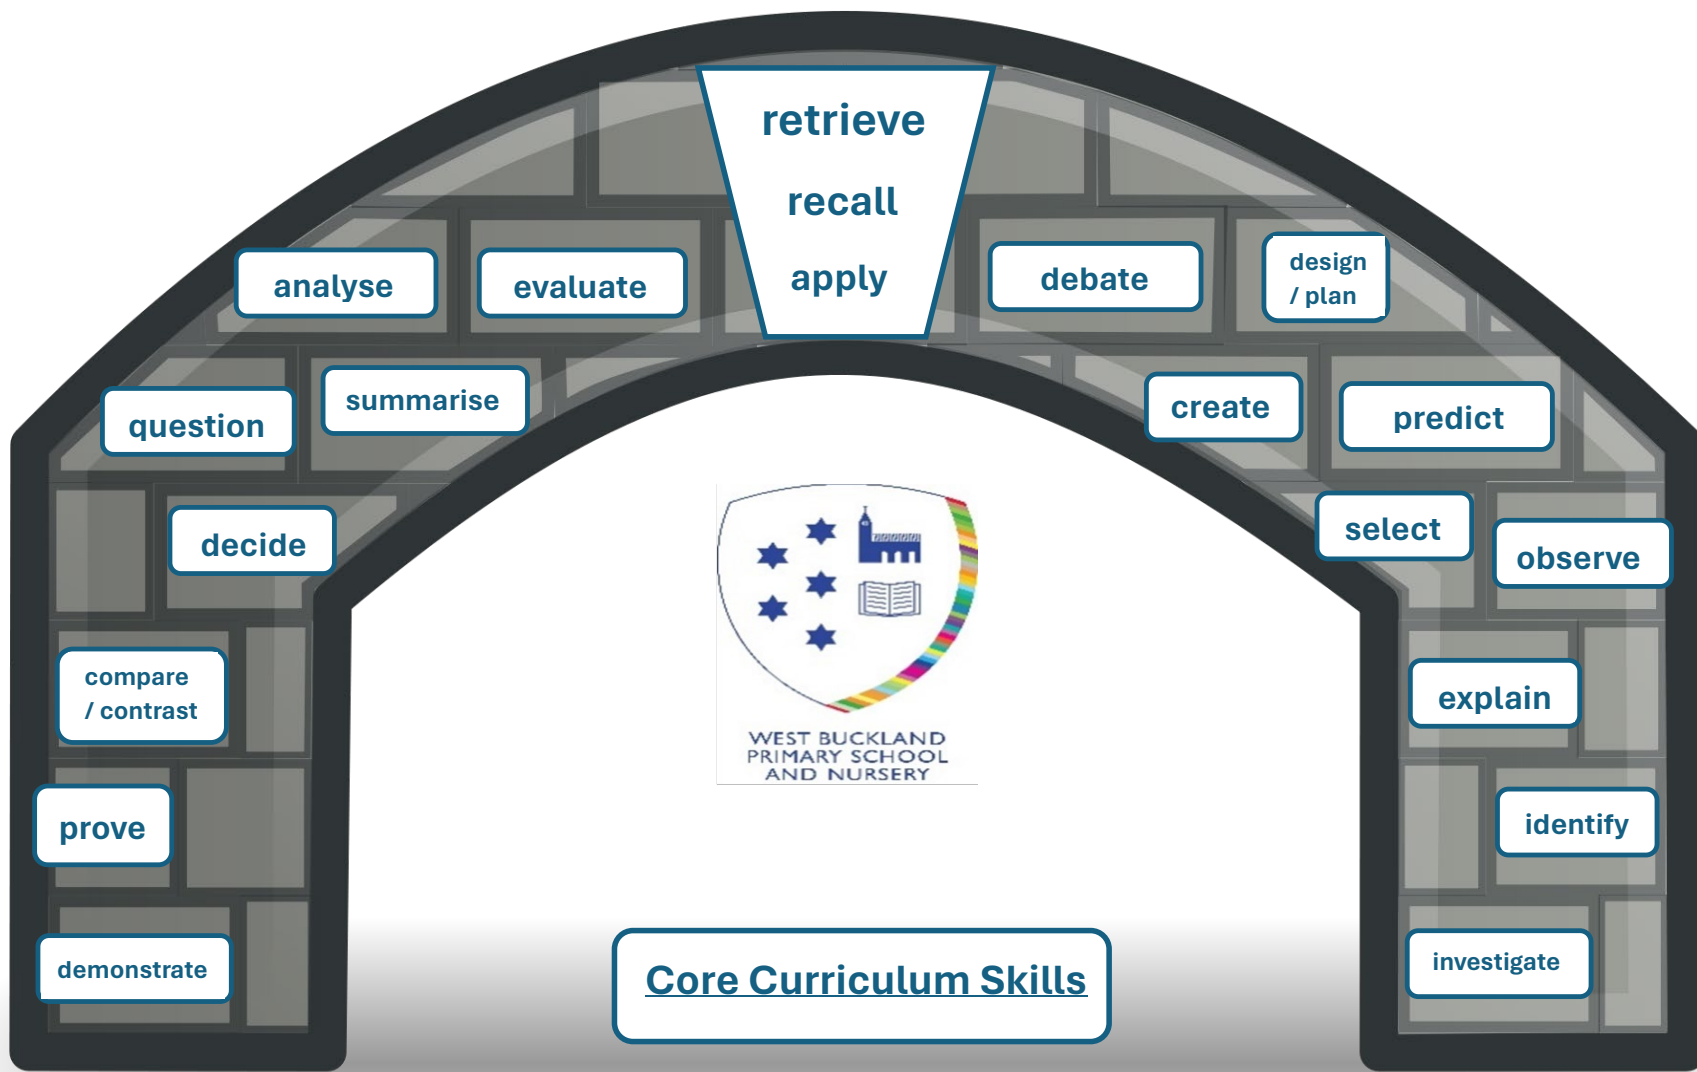

The knowledge aspect of our Curriculum comes through the key vocabulary for each topic/subject which can be seen in the table below.

The skills element to our Curriculum is a seven-year journey covering 20 core skills. These skills are evident through each topic we deliver and are developed in every year group. These can be seen on our graphic below.

	Science	History	Geography	PE	Art	DT	Computing
Year A	<p>Focus: Animals & Humans including puberty. Vocabulary: puberty, gestation, reproduction, conception, LGBTQ+, Pride, veins, arteries, skeletal system, circulatory system, blood vessels, respiratory system.</p> <p>Focus: Evolution and Inheritance Vocabulary: adaptation, evolution, offspring, inheritance, genetics.</p> <p>Focus: Electricity</p>	<p>Focus: Victorians Vocabulary: Queen Victoria, Prince Albert, transport, clothing, housing, Isambard Kingdom Brunel.</p> <p>Focus: Aztecs / Ancient Maya Vocabulary: Glyphs, sacrifice, cacao, pok-a-tok, codex.</p> <p>Focus: Ancient Greece Vocabulary: Olympic games, Parthenon, gods & goddesses.</p>	<p>Focus: North / South America Vocabulary: variation, human & physical features, land use patterns.</p> <p>Focus: Map skills: time zones, compass points, grid references Vocabulary: 8-point compass, 4 figure coordinates, longitude, latitude, Tropic of Cancer, Tropic of Capricorn, hemispheres, Greenwich Meridian, OS map symbols.</p>	<p>Focus: Games – Basketball / Netball Vocabulary: Court, wing, centre, bounce-pass, shooting circle,</p> <p>Focus Games – Hockey or Handball Vocabulary: Attack, defend, possession, goalkeeper, opponent.</p> <p>Focus: Orienteering Vocabulary: Point, compass, direction, distance, map, orientation, symbol, control point</p> <p>Focus: Gymnastics Backwards roll, log roll, teddy bear roll, flexibility, strength</p>	<p>Focus: Drawing / pattern – William Morris Vocabulary: pattern, repetition, nature, interior design, perspective</p> <p>Focus: Colour – Banksy Vocabulary: tone, texture, expression of mood, street art</p> <p>Focus: Modelling – Wire & mod rock Vocabulary: design using a stimulus, shape, form, model, join</p> <p>Focus: Printing / Pattern – Andy Warhol / Pop Art Vocabulary: texture, pattern,</p>	<p>Focus: Food – Styles of preparation Vocabulary: grate, chop, peel, mix slice, garnish</p> <p>Focus: CAMS – Moving Toy Vocabulary: CAM, pulley, gear, linkage, measure, frame</p>	<p>Focus: Coding Vocabulary: Binary code, data, language, bit, encode, decode, cipher, bit, bite</p> <p>Focus: Animation Vocabulary: animation, character, frames, stop motion, storyboard</p> <p>Focus: Programming Vocabulary: algorithm, code, command, output, remix, repeat.</p>

	Vocabulary: Current, voltage, Amps, Switch, cell, buzzer, battery, series, parallel, electrical conductor, electrical insulator, circuit diagram.			<p>Focus: Dance Vocabulary: Symmetry, asymmetry, levels, travel, gesture</p> <p>Focus: Swimming Vocabulary: front crawl, back stroke, breaststroke, butterfly, 25m, float, dive</p> <p>Focus: Indoor athletics Vocabulary: triple jump, baton, relay, handover</p>	size, shape, colour mixing, repeating, lettering, graphics			<p>Focus: Digital – (David Attenborough) Vocabulary: montage, editing, movement</p>
Year B	<p>Focus: Living things and their habitats Vocabulary: Photosynthesis, evergreen, deciduous, life cycle, reproduction, name and label all key parts of a flower.</p> <p>Focus: Properties and changes in materials</p>	<p>Focus: WWII Vocabulary: Evacuation, Blitzkrieg, home front, wireless, Winston Churchill.</p> <p>Focus: Tudors Vocabulary: War of the Roses, Henry VIII, Catholic/Protestant, peasants/nobles, Francis Drake, William Shakespeare</p>	<p>Focus: The UK in detail Vocabulary: Counties, major cities, physical features, human features, land use, National Parks, travel, environmental factors.</p> <p>Focus: St Lucia Vocabulary: Caribbean, currency, vegetation,</p>	<p>Games – Cricket / Rounders Vocabulary: Strike, field, base, run or rounder, catch, backstop, throw, long, short</p> <p>Focus: Games – Ultimate Frisbee Vocabulary: Disc, flick, fake, foul, guarding, knock-down, marking, pull, turnover.</p> <p>Focus: Disability Sport</p>	<p>Focus: Drawing – Anatomical sketches Vocabulary: Skills: accuracy, scale, features, perspective</p> <p>Focus: Colour – Henri Rousseau Vocabulary: blending, shading, mixing, cross-hatch, tone</p> <p>Focus: Photography &</p>	<p>Focus: Food – Country of origin, air miles, Fair Trade Vocabulary: Equality, fair-trade, air miles, waste</p> <p>Focus: Woodwork Vocabulary: join, sand, measure, frame</p>	<p>Focus: Web design Vocabulary: Advert, design, graphics, rights, structure, fake news</p> <p>Focus: Data Handling Vocabulary: algorithms, barcode, contactless, data, encrypted, QR code, wireless.</p>	

	<p>Vocabulary: Irreversible, Reversible, Condensation, Evaporation, Sieving, Filtering, Soluble, Dissolving, Solution</p> <p>Focus: Forces Vocabulary: Friction, air resistance, water resistance, gravity, buoyancy</p> <p>Focus: Earth & Space Vocabulary: Moon (phases), Planets (name them), Satellite, Solar System, Season (tilt), Tim Peake, Helen Sharman.</p>		<p>climate, Castries, Piton's.</p>	<p>Vocabulary: Invictus, Paralympics, Boccia, Sitting Volleyball, Blind Football.</p> <p>Focus: Gymnastics Vocabulary: handstand, headstand, position, critique</p> <p>Focus: Dance Vocabulary: canon, contrast, levels, complement, weight- transfer, spotting</p> <p>Focus: Swimming Vocabulary: front crawl, back stroke, breaststroke, butterfly, 25m, float, dive</p>	<p>Digital – Vivienne Westwood Vocabulary: edit, share, crop, zoom, portfolio</p> <p>Focus: A local artist study – a whole class collaboration project. Vocabulary: style, inspiration, collaboration, mimic</p>		<p>Focus: Tomorrows World - inventing a product Vocabulary: efficient, purpose, elements, CAD, product</p>

WEST BUCKLAND
PRIMARY SCHOOL
AND NURSERY

Core Curriculum Skills

Impact

The impact of our curriculum is children being able to use and explain their newly understood vocabulary in context. Each topic will end with a discussion about what children have now learnt, how this fits to previous and future learning and if all their questions and lines of enquiry have been answered. Skills are developed throughout the year, across subjects and over a child primary school journey. These skills will be key to accessing and succeeding within a topic, but also developing a life-long love of learning and desire to practice. These skills will often be used to produce a final piece or outcome. Our curriculum is monitored by the SLT through pupil voice, learning walks, book looks and lesson observations. The newly acquired knowledge sticks with children when it is learnt in a fun and engaging manner; children are immersed through the use of working walls, quizzes and practical activities. As well as knowledge and vocabulary acquisition, children develop a sense of self, belonging and community through our school values. We develop the whole, all round, child to actively contribute to the wider world.
